2009-2010 Assignment Book Orders

Help your student succeed by providing them with the organizational tool they have come to depend on - the assignment book! The school will not be providing these books to upperclassmen this year, but you can purchase the same book for only \$10 (similar books cost from \$12 to \$25 in stores)! Studies have proven that an organized student has more success in all areas of school - classwork, sports, etc. Those same organizational skills become a lifelong asset in life.

You can pre-order this useful tool by filling out the form below and mailing it with your check (made payable to DVR CHEER BOOSTERS) to the address below. The books will be delivered to your student's first period class on the first day of school. Supplies are limited - so orders will be filled on a "first come, first served" basis.

Order forms can also be returned to the school along with the other required forms, but this will delay the delivery of the books to the students. Any remaining books will be sold in the cafeteria at "Back to School Night" on September 24th. Don't miss out on this opportunity to provide your student with an important key to success!!

Fill out form (please print clearly) - detach and mail with payment to:
